10 practical, tasty snacks that are easy to pack

About this booklet

Not every snack has to be complicated. This booklet brings together crunchy, creamy, savory, and sweet options made with simple ingredients and no added sugar. Each recipe makes individual portions that are easy to take to work, school, or on outings. You can also prepare them ahead and keep portions ready in the refrigerator.

Some options are dry and can travel in a container; others contain dairy or fresh ingredients and need to stay refrigerated. For perishable snacks, use an insulated cooler bag with a reusable ice pack and do not leave them out of the refrigerator for more than 2 hours. Check labels on processed meats, nut butters, plant-based beverages, and sweeteners for added sugar or starch.

Crispy Parmesan and Oregano Crisps

MAKES
2 servings (12 crisps)

PREPARATION TIME
5 minutes

COOKING TIME
5 to 8 minutes

INGREDIENTS

- 100 g finely grated Parmesan cheese
- 1 g dried oregano
- Black pepper, to taste

PACKING TIP:

pack them in a rigid, dry container so they do not break. Store only after they are cool; moisture can soften them.

METHOD

1. Heat the oven to 200 °C and line a baking sheet with parchment paper.

2. Mix the Parmesan with the oregano and pepper. Make 12 small mounds, leaving space between them, and flatten each one slightly.

3. Bake for 5 to 8 minutes, watching closely, until the edges are golden.

4. Let the crisps cool completely on the baking sheet; they get crunchier as they cool.

Almond, Flaxseed, and Rosemary Crackers

MAKES
2 servings (about 20 crackers)

PREPARATION TIME
12 minutes

COOKING TIME
18 to 22 minutes

INGREDIENTS

- 70 g almond flour
- 30 g ground flaxseed
- 10 g sesame seeds
- 15 ml olive oil
- 45 ml water
- 1 g dried rosemary
- 1 g salt

PACKING TIP:

once cool, store in a dry, airtight container. If they lose their crunch, warm them in the oven for a few minutes and let them cool completely before storing again.

METHOD

1. Heat the oven to 170 °C and line a baking sheet with parchment paper.

2. Mix the almond flour, ground flaxseed, sesame seeds, rosemary, and salt. Add the olive oil and water; stir until an even dough forms. If the dough is very dry, add more water gradually, 5 ml at a time.

3. Place the dough between two sheets of parchment paper and roll it out to about 2 mm thick.

4. Remove the top sheet, score squares with a knife, and transfer the dough to the baking sheet.

5. Bake for 18 to 22 minutes, until golden around the edges. Let cool completely before separating the crackers.

Crunchy Nut and Seed Mix

MAKES	PREPARATION TIME	COOKING TIME
2 servings	5 minutes	12 to 15 minutes

INGREDIENTS

- 50 g unsalted almonds

- 10 ml olive oil
- 1 g smoked paprika
- 1 g ground cumin
- 0.5 g red pepper flakes, optional

PACKING TIP:

METHOD

1. Heat the oven to 160 °C and line a small baking sheet with parchment paper.

2. Toss the almonds, walnuts, and pumpkin seeds with the olive oil, paprika, cumin, pepper flakes, and salt.

3. Spread in one layer and bake for 12 to 15 minutes, stirring once halfway through. Remove when fragrant and lightly golden; the nuts will keep toasting a little as they cool.
